

spare parts MD PVC-Rat

Spare parts MD PVC-Rat

Product codes:

Reference: MD-PVC-PARTS

Product description:

This model is an example of the replacement of living animals to master skills in **microsurgery**. Using the model during training of scientists and animal technicians, the number of live-animals needed will be reduced drastically.

It gives the possibility of training approximately **25 different microsurgical techniques** (i.e. anastomoses, cannulations, transplantations of vessels and organs).
